Upright height (from slab)	39"	Custom sizes	AVAILABLE
Rack depth	48"	Custom slot spacing	AVAILABLE

INCREASE FLOOR SPACE

- Increased storage density
- Up to 20 material slots
- Equipped with heavy-duty casters
- Customizable to your needs

SUPERIOR ORGANIZATION

- Easily & quickly locate materials
- No more mixed piles of material
- Numbered grid system
- Simplified inventory counts

IMPROVED SAFETY

- Decreased tripping hazards
- Single-operator material handling
